## Exit Criteria for Kindergarten and First Grade

For kindergarten or first grade students, reading on grade level as measured by the district literacy assessment replaces the ELA CRT score of 2b.

## Uniform Exit Date

The uniform exit date is June 30 for the school year in which they exit.

In rare, unique circumstances, a LEA may determine that it is appropriate to override a student's automated exit designation.

- If it is determined the designation of F is not appropriate for the student
- If it is determined a student that is not designated as F should be
